

PLP Framework 2020-2021

Objective:

Best practice to follow the framework below by mastering the OK standards of highest weighting first with the ultimate goal of mastering 60-70% of standards within the first semester. Some standards should spiral for reinforcement.

Key Points:

- Instruction given via EpicEd and/or direct instruction from teacher
- Practice via IXL, Buckledown, Khan Academy, etc (some programs require LF purchase)
- Academic Vocabulary with Quizlet
- Assessments given in Mastery Connect
- Assignments should not exceed 3-5 per week per standard
- PLPs will be created and shared via Google Classroom with week by week assignments for mastery and completion tracking
- PLP Google Classrooms will be created for each student individually
- Google Classroom due dates will be set to Fridays but are editable by the teacher
- Teachers may adjust to personalize a proficiency plan for each student
